## About

My name is Heather Kent. I'm a mom of 4, ASMRtist + Model! I grew up doing pageants and commercial modeling work. After college, I
 worked in a corporate setting for a few years deep diving into all things marketing -- including online marketing. Once I became a mom, I decide to combine my love for creating and marketing by creating my own brand online. I have an eye for aesthetics and I nerd out over analytics and performance. The BEST of both worlds when it comes to content creation.
